## Sunnyside Revised work plans

Sunnyside would like to have a discussion about their revisions to their work plans. I have explained to Pat Maley that some EPA staff are unavailable either due to the GK response or due to annual leave. But I said we would do the best we can to address any of their questions or concerns with the work plans.

Sunnyside sent their responses and revised work plans last Thursday. If you didn't receive them, please let me know and I will forward to you.

We will use my conference line.

Thank you.
